The Antalya flats for sale are located in the Aksu district's Altıntaş area. The city of Altıntaş is in Antalya's eastern region in Aksu district. The name of the region, Altıntaş, translates as "golden stone." This region is quickly becoming one of Antalya's most prestigious residential areas as more modern developments are constructed. Since many of the plots are still accessible for development, it is the only neighborhood in Antalya with building permission.

The new flats in Aksu, Antalya are located 5 km to Lara Anadolu Private Hospital, 6 km to Antalya International Airport, 9 km to Duden Park, 9 km to Lara beach, 9 km to Mall of Antalya, 11 km to TerraCity shopping center, 17.5 km to Old Town (Kaleici), and 20 km to the city center.

The residential complex consists of 24 flats and is built in a 1926 m² land area. This complex offers its residents various amenities such as a well-designed garden, children's playground area, sitting areas, outdoor swimming pool, children's pool, vitamin bar, fitness center, showers and WC's, outdoor car parking area, elevators, generator, 24/7 security camera systems, and security. There are also many features like a central satellite system, water purification, drilling, and automated irrigation system.
